

TentCraft

GYBE 1-Year Manufacturer's Warranty

Your **GYBE** inflatable tent is fabricated and assembled by skilled craftsmen using premium materials. If the shell/roof of your inflatable tent becomes defective due to manufacturer's error, we'll repair or replace it up to 1-year after its original purchase date.

In our experience, most damage occurs as a result of improper ballasting, over-inflation or lack of supervision. A heavy gust of wind can cause your inflatable tent to become a large wind sail, which is dangerous and likely to result in damage when it crashes back to the earth. Your inflatable tent should not be left up unattended overnight as weather is unpredictable and your inflatable tent is not designed to function as a semi-permanent structure. Your GYBE inflatable tent should not be inflated with an air-compressor or any other unregulated device. Do not inflate your tent past the recommended PSI as it will cause the internal bladder to puncture, rendering it unusable.

The **GYBE** 1-Year Manufacturer's Warranty will not cover damage attributed to any of the following:

- Shipping damage not noted with shipper at time of delivery
- Damage consistent with normal wear and tear
- Items that are lost or stolen
- Damage due to negligence or improper use/storage/ballasting/over-inflation
- Damage caused by extreme weather

Damage to your **GYBE** inflatable tent that is not covered under this warranty may be repaired or replaced at a reasonable cost. TentCraft commits itself to working with you to ensure any damaged products are restored to a functioning state as quickly as possible.

*Printed materials may degrade or discolor over time with standard use and exposure to outdoor elements. The basic functionality of your system should stand the test of time. Your **GYBE** inflatable tent will last longer and perform better with proper use, care, storage and maintenance. This warranty applies exclusively to the original purchaser of the product. Repairs or replacements will be at the sole discretion of TentCraft. Warranty is void if any frame modifications or customizations are made. All Terms & Conditions apply. Please see your quote or TentCraft.com/terms for details.*
